EXPECTATIONS FOR COACHES

The coach/athlete relationship is a privileged one. As a coach, I recognize the critical role I play in the athletic and character development of my players. As a role model for the athletes on my team, I agree to conduct myself in a manner that is in keeping with the mission, vision and values of KCS. Therefore, it is my responsibility to:

- Adhere to and support direction from the Athletic Director, the Competitive Rules & Regulations of BC School Sports and those of our local athletic association and sport commission.
- Observe the rules of the sport, the spirit of the rules of the sport and encourage players to do the same.
- Not discriminate against any players with respect to race, color, ancestry, religion, family status, physical or mental disability.
- Be clear in my expectations for players, keeping lines of communication open with players and their parents.
- Determine playing times and roles that will be in the best interest of the team and its goals.
- Respect the rulings of officials, and require my players to do the same. Further, I will level protests only through approved channels.
- Not use physical force of any kind while performing my coaching duties.
- Ensure that my players exhibit appropriate conduct while under my care (in dressing rooms, on the field/court, at the players' bench, while traveling to/from games).
- Abstain from the use of tobacco products and alcohol while in the presence of players and/or while participating in a school sanctioned event.

Coaches that engage in behaviors that violate these expectations may be subject to disciplinary actions or sanctions including, but not limited to, suspension from coaching duties.

I am aware and understand these expectations.
