**LIFE
CHANGING
EDUCATION.
WORLD
CHANGING
STUDENTS.**

We strive to provide our parents and students with quality, holistic programs that engage children in a variety of ways.

Club Judah offers Kindergarten to Grade 5 students a caring and fun continuation to the school day.

Club Judah offers flexible program options that work with your schedule, including full-time and part-time packages, as well as flexible drop-in options (subject to availability of daily space).

- Fully licensed program with the Ministry of Health.
- A safe, positive environment that enhances students' spiritual, academic, social, and physical development while assisting working families.
- Engaging program full of indoor and outdoor play, games, crafts and more.
- Shared Christian values and "MeThird" attitude continued by staff and students in our building.
- Quiet time for homework completion. Patient staff are happy to help with homework too!
- Before and after school care offered on days which KCS Elementary School classes (Grade 1-5) are in session from September to June.
- Easy communication through the KCS Elementary School office, e-mail, or directly through the Club Judah mobile phone.
- Managed by a qualified educational teaching assistant.

**WHAT CLUB JUDAH
